Gets Two New Overlands

Wm. Bashaw, together with Edmon Burgher, went to Toledo Sunday and returned Tuesday with two new Overland touring cars. They made the trip very successfully, driving over 350 miles in a day and a half. The Overland is about as nearly trouble proof as it is possible to build a light car, and these machines demonstrated their reliability and an abundant amount of power on the trip. Mr. Bashaw will get two more Overlands in September and invites the public interested in the purchase of a car to call and see these machines and learn of their superiority over all other light machines.

An Enjoyable Event

The following composed a party to Virden spring Tuesday evening where they enjoyed marsh-mallow toast and a watermelon feast:

Mr. and Mrs. L. P. Keith; Misses Ethel Duncan, May Belle Chaffin, Nellie Duncan Reese Shimmfessel, Eula Shattuck, Irma Russess; Messrs Harry O'Rear, Shelby Martin, Walker Hall, Edgar Curry and Bert Knight.

City Tax Due

City and school taxes are now due and in the hands of J. R. Stone, Collector. Both the town and school need the money and Mr. Stone intends to make the collection a short job. The tax payers know the rest.

To Repair Bridge

Judge Derickson has been down and arranged with Geo. B. Leach to saw the lumber to lay a new floor on the Waltersville bridge, which is very badly needed.

Protracted Meeting

Rev. J. T. Turpin will begin a protracted meeting at Powell's Valley Church Monday night, September 18th. Everybody welcome.

Pie Supper

There will be a pie supper at Pompeii school house Saturday night, September 2nd.

Mrs. Rose Cenlee, teacher.

Notary Public

James G. Fugate has been commissioned as Notary Public and is prepared to do all kinds of Notary work.

Labor Day

Monday will be Labor Day, and we guess it will be a very busy day with the laborers of this county.

Don't Allow a Cough to Hang On

A cough that "hangs on" wears down the sufferer, leaving him unable to ward off sickness. Joe Gillard, 148 Fillmore St., Nashville, Tenn., writes: "I was suffering with a dry hacking cough and pain in my chest, but since taking Foley's Honey and Tar, I have been relieved." Soothing and healing. Sold everywhere.

Clay City Boys Make Good

Gilbert White, in a shooting contest at Camp Knox last week made the highest score of 165 boys. He was one of the two to become a Sharpshooter. Everett Hurt, another Clay City boy in the contest, made a Marksman. Account the superior qualities of young white he has been chosen one of a few to go to Camp Perry to receive further training. However, he will not go, but return to Lexington where he will enter school again.

Time to Select Seed Corn

Professional Agriculturists advise going into the early planted field of corn in September and picking out the seed corn for the next year, taking care to get no corn near barren stalks. The shuck should be pulled back and tied and hung up in a dry place to cure out.

It is also time to plow under weeds and prepare ground to sow in wheat and rye, thirty days later.

Sale of Stock, Real Estate

And Merchandise

Larkin Stamper will have a public sale of live stock, automobiles, houses and lots and general merchandise at Stanton next Monday. See advertisement in this issue of The Times and attend the sale.

Wm. Davis Dead

As we go to press we learn of the death of Wm. Davis, at Vaughn's Mill. The funeral and burial arrangements have not yet been made.

To Preach at Christian Church

Rev. Martin Larison, of Means, Ky., will preach at the Clay City Christian Church Saturday night, September 2nd. A full house would be welcome.

Fight Diphtheria Early

Because the number of deaths from Diphtheria in Kentucky has almost doubled in the last three years, and doubled needlessly, according to Dr. A. T. McCormack, State Health Officer, the State Board of Health already is starting a campaign which has as its sole object the lowering of the number of fatalities next winter from this disease.

There were 352 deaths from diphtheria reported in 1919, according to J. F. Blackerby, director of the Board of Health's Bureau of vital statistics. The number rose in 1920 to 423 and last year jumped again to 644.

These deaths, Dr. McCormack says, every one could have been prevented if antitoxin in sufficient quantities had been administered early enough in the history of each case.

Steps being taken by the Board of Health now to lower the deaths from diphtheria this winter include the calling to all doctors' attention the fact that the board has available all the antitoxin needed, emphasizing the necessity of using this antitoxin before the disease has taken too firm a hold on its victim, and advocacy of the use of the Schick test in schools where there has been a case of diphtheria.

Has Trouble in Head

Wm. Barrett has a serious rising in his head that is giving him much trouble. He has made two trips to the city to receive treatment from a specialist.

Resolutions

Resolutions of the Powell County Sunday School Convention held at Vaughn's Mill Friday, August 25, 1922. We, your committee on resolutions, submit the following:

Therefore, be it Resolved, that we believe that this has been one among the best Conventions ever held in this county.

Be it Resolved, that we strive to have a better Convention next year.

Be it further Resolved, that we now begin a campaign for a Sunday School in every community in Powell county. Also that we, as Sunday School folks, disapprove in the strongest terms the course of study in the day schools of the state, and that we use our influence with our Representatives and the State Text Book Commission to get a course of study adopted that is at least moral with a little Sacred literature contained.

Be it Resolved, that we appreciate the presence of Mrs. Frances Joplin, the State worker in our midst, and that we are sure that her fine addresses will live long after she has gone in the hearts of all who heard them.

Be it further Resolved, that we thank the good people of Vaughn's Mill for their hospitality and kindness and the good dinner so bountifully served.

Be it Resolved, that we believe in temperance in the strictest sense and that we are against lawlessness of all kinds and by the help of God we shall eradicate it from our county.

Be it Resolved, also, that the Clay City Methodist Church be the place of the meeting of the Convention in 1923.

Be it Resolved, that the State Sunday School Convention being at Winchester this year that Powell county do her best to send at least 25 registered delegates to that Convention this year, October 3, 4 and 5, 1922.

Federal-Aid Roads Increased 600 Miles

Nearly 600 miles nearer the goal of a completed system of highways for the United States is the report of the Bureau of Public Roads of the United States Department of Agriculture for the month of July. The final goal, the construction of a system of approximately 180,000 miles of Federal-aid highway consisting of a network of trunk line and secondary roads reaching into practically every county is still a long way off, but we are 5,392 miles nearer than at the beginning of the year according to the bureau.

Completed Federal-aid roads now total 18,209 miles with 14,912 miles under construction and approximately 60 per cent complete. Including projects not yet under construction Federal-aid roads in all stages now total 40,338 miles.

There is no indication of any slackening of the greatly increased rate of progress which began with the season of 1921 as the States continue to pour in plans for new projects and place them under construction as rapidly as possible. Nearly twelve and one-half million dollars was obligated to new projects in June and July, and in the week ending August 5 reports were received of the letting of 68 new projects and announcement of 57 to be let.

At the present time the force of the bureau is taxed to the limit with the examination of new plans and projects, inspection of roads under construction and the planning of the Federal-aid highway system which is being gotten into final shape.

GENET

Crops of all kind are good.

Our roads are all worked and in good condition.

J. P. Crabtree, wife and daughter, of Torrent, came down last Tuesday.

Coin Bowen, the Assessor, was among us last week to list the taxable property. Mr. Bowen is a very popular citizen among the taxpayers.

Our friend, V. C. Martin, undertook to bake a rhubarb pie and from the best proof obtainable the pie exploded inside the stove and blew the stove door from the hinges and it fell on the cat and killed it. The next pie that he has baked will be under the supervision and control of that "Quiltin' Bee."

Hay Fever Sufferers Unlucky

In August the air is full of pollen and dust that cause trouble for some, yet others are never bothered. No remedy does more to relieve hay fever and asthma than Foley's Honey and Tar for coughs, colds, croup. It clears and soothes the afflicted nose, throat and bronchial tubes. Sold everywhere.

SPOUT SPRING

Born, August 22nd, to Mr. and Mrs. Aquila Snowden a 12 pound son—Doie William.

Mrs. Shelt McKinney visited her sister-in-law, Mrs. Madge Lewis, at Winchester Monday.

Miss Bessie Burgher has returned from several days' visit with Mrs. Grant Shoemaker at Fixer.

A new pump has been purchased and installed at the school house well, which has recently been cleaned out.

Johnny Conner continues to not improve. His ear is in a very peculiar condition and his hearing is also badly affected.

Mr. and Mrs. Alfred Crow entertained a number of relatives and friends Sunday with an excellent dinner and watermelon in the afternoon.

Kinney Burgher spent from Thursday till Saturday with his uncle, Bennie McKinney, near Lexington, and attended the Fayette County Fair.

Rev. A. Snowden, Mrs. B. C. Rogers and Miss Lena Milton returned Monday from Winchester, where they had been attending the camp meeting.

The citizens are making quite an improvement on the road here by grading it to a perfect crown. This indicates our road will be better this winter than usual.

Among those from here who attended Winchester court Monday were: Fred Hanks, Shelt McKinney, Harlin Wilburn, Jeff Rowland, Lloyd Todd and Joe McKinney.

VAUGHN'S MILL.

Mrs. Madge West was shopping in Clay City Monday.

Born, to the wife of S. A. Easter, of Bobby's Ridge, a fine baby girl—Virgie Eula.

Misses Ola Burgher and Bessie Wells returned home Monday from a visit with relatives in the Blue grass.

Messrs. L. W. Patrick, O. L. Daniel and Harrison Strange were among the court day visitors at Winchester Monday.

Several from here are planning to attend the State Sunday School Convention to be held at Winchester October 3rd, 4th and 5th.

The protracted meeting, which was to have begun at the Christian Church last Friday, has been deferred until the third Saturday in September.

News has been received here of the marriage of Miss Bernice Baker, daughter of Grant Baker, now residing at Akron, Ohio. They formerly lived here.

Rev. L. F. Martin is slated to speak here on the second Saturday night and Sunday in September. Make your plans to hear him and learn something of what the Mountain Christian League is doing.

Among those attending the State Camp Meeting of the Church of God held at Winchester were: Dan Strange, Everett Barnett, Isaac Sams and wife and Mrs. Sallie Woosley and children.

The County Sunday School Convention, which was held here Friday, was a successful affair, so pronounced by all. Bro. Hollars and Mrs. Joplin were the principal speakers. The same officers were retained for the coming year. The M. E. Church at Clay City was selected as the meeting place for the next Convention.

Harrison Strange, a well known citizen of this vicinity, was held up on Monday night near Curtis & Wells' store and robbed of \$8.75. There were two in the party of robbers, one a woman. The woman held a gun on the unfortunate victim while the man went through his clothes. Such lawlessness as this should be stopped at once and the offenders, no doubt, will be apprehended if possible.

"Strong and Well"

"I WISH you could know how much I am improved since taking the Cardui," writes Mrs. Nannie Brown, of Black Rock, Ark. "You wouldn't know me for the same weak invalid I was before I took it. At my... I had to keep off my feet or I would fall. I couldn't do my housework, and just got where I'd most as lief be dead as living. Some one told me of Cardui. He got

it for me and I took three bottles before I stopped—then off and on for the last three years just as a tonic. I saw a decided improvement after my first bottle. I used the three, and was able to do my work with ease, and now I sew for my family and for others. I am feeling fine, and strong and well."

Take Cardui! It may be just the medicine you need.

Mr. and Mrs. Clifford Fryar returned home from Cincinnati for a few days visit with home folks.

Walker Lane and Mr. and Mrs.

D. S. Townsend, of Cat Creek, visited relatives here Saturday and Sunday.

Miss Belle Centers returned home Thursday after a few weeks visit with her brother, Lemon Centers, near Sinking.

A well prepared literary program was given by the pupils of Morris Creek school Friday afternoon and was enjoyed by all who attended.

One bay mare and two mules came to my place Sunday. Would like for the owner to come and get them. H. S. Fryar.

SLADE.

J. P. Cole spent week end with relatives at Dripping Rock.

Mrs. Doug Banks is visiting her daughter in Estill county.

Granvil Spencer, Wolfe county, preached here last Sunday night.

Mrs. John Brewer, of Bowen, visited home folks here last Thursday.

Willie Brewer is holding a protracted meeting in Lincoln county this week.

Mr. and Mrs. Jesse Townsend attended camp meeting at Winchester last week.

Mrs. Lena Ford and Mrs. Emma Ledford visited relatives at Bowen last Saturday.

Mrs. Green Ewen and Mrs. Minnie Faulkner visited Mrs. Frank McQuinn Tuesday.

Miss Nannie McNabb returned home at Stanton Monday after several days visit with relatives here.

Little Miss Lucy Ford is at Winchester taking treatment from a dentist. Her teeth has been giving her serious trouble.

Kelly Folks, of Winchester, who was seriously burned at the oil rig on the Mays farm last week, was able to return Monday.

Tom Townsend and Willie Wells, of Hazel Green, were here last week witnesses against Charlie Centers and Melvin Roberts. Centers and Roberts had examining trial before County Judge, Derickson. Their bond was placed at \$500.00 each which neither could give and will be held to await action of grand jury in November.

Frank McQuinn was here from Ravenna last week and is now employed as a railroad detective. He expects to move his family from here in the near future. We regret very much to lose this family but wish them success in their new home and will welcome them back any time they can see it profitable to return to Powell.

Another good oil well was brought in on the Mitch Neal farm last Friday which flowed after it was shot, all these wells are in the second pay and had been pronounced unprofitable. We are glad to report the new oil field and hope it will encourage those holding oil leases around Slade to develop this territory as there has never been a well drilled to the second sand and the small wells that were drilled on Clear Branch should be encouraging.

Relief from Tormenting Hay Fever

Thousands of hay fever and asthma victims who are not able to go to the mountains, find relief in Foley's Honey and Tar. It allays inflammation, soothes and heals raw and rasping bronchial tubes, helps difficult breathing, and makes sound, refreshing sleep possible. Sold everywhere.

Slade and Nada consolidated school were arrested for not sending their children to school and called before Judge Derickson at Stanton last Saturday. Several were fined and some took their cases into Circuit court. Every one should do their best to abide by the law, but it seems that this law is too strict, requiring a doctor's certificate for every day a child is absent and the people have no doctor nearer than Zachariah Wolfe county or Stanton and children often have

stone bruises and sick spells that render them unable to attend school and not sick enough to call a doctor, and many children have to cross creeks and walk two and some three miles to school. We feel sure the ones that made this law meant for people to use common sense in these cases, but every parent that doesn't send a child to school every day possible should be fined but children ought not be forced to go sick and should have roads and some way of conveyance.

A Triumph for Value

IN the past two months Firestone has built and marketed more tires than in any similar period in its history.

This steadily increasing public preference is proof of the recognition by car owners of the greater values offered by Firestone. It is a tribute to Firestone men—all stockholders in the company—all actuated by the operating principle of Most Miles per Dollar.

The high average performance of Firestone Cords is without equal in the annals of tire making and is reflected by the general tendency to specify Firestone for hard service. Taxicab and bus lines, buying tires by the mile,

are universally equipping with Firestone Cords.

There are many reasons for the high quality of Firestone tires but chief among the special manufacturing processes are double gum-dipping, thus eliminating internal friction by insulating each cord strand, and air-bag cure, insuring a well-balanced and perfectly shaped product.

Don't speculate in tires—you will find the right combination of price and quality in Firestone. Come in and let us tell you about the service these Cords are giving other car-owners whom you know.
